State:

Park assigned to state where it has its mailing address (e.g., Yellowstone NP is assigned to Wyoming).

Park:

Name of unit reporting visitation.

FY 2005 Recreation Visits:

Recreational visits in FY 2005 (from NPS Public Use Statistics Office).

Park's Benefit to Local Area:

Dollar contribution in thousands to local area (approximately 50 miles around park) arising from:

- Spending by visitors from outside local areas on lodging, food, transportation, souvenirs, etc. in areas around parks;
- Spending by NPS employees of wages, salaries, and benefits.

Does *not* include park spending on construction and on local materials and supplies.

Local Jobs Supported:

Part- and full-time jobs (including NPS jobs) supported by:

- Visitors spending money in local areas around parks (supports non-NPS jobs);
- NPS employees spending salaries/wages in local areas (supports non-NPS jobs);
- Park payroll (supports NPS jobs—from NPS Accounting Operations Center).
