**AFFIDAVIT OF P Duff White**

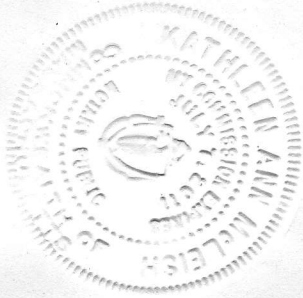

I, P Duff White, 12 Carnegie Way, Attleboro, MA 02703, 508-439-2739,  
declare under penalty of perjury that the following is true and correct:

I am a PADI certified dive master, PADI number 190997. On Monday morning,  
October 1, 2007, at approximately 10:05 a.m., I dove using scuba gear in an area adjacent  
to the seawall at Sakonnet Point Club, Little Compton, RI. Kyla Bennett from New  
England PEER, P.O. Box 574, North Easton, MA, 508-230-9933, and John Karlsson, 10  
Quoquonset Lane, Little Compton, RI 02837, 401-635-8803, were with me. I made the  
following observations:

The desalination diffuser unit was located approximately 24 feet to 28 feet off  
the base of the seawall, at a depth of approximately 8 feet of seawater. The unit  
was covered in algal growth, and looks as if it has been in place for approximately  
six months.

I make this declaration based upon my own personal knowledge and am competent to  
testify on the matters herein contained. If called to testify, I could testify competently to  
the facts in this declaration.

Executed this 2 day of October, 2007 in Attleboro, Commonwealth of  
Massachusetts, I declare under penalty of perjury that the foregoing is true and correct.
