Subject Fw: Easter Schedule for Neil Scoresby

Felicia...below is just a "heads up" for you. It is the directives written by the Field Office Manager to Neil at Little Sahara (Easter assignment). Please note #7 at the end. I advised our Associate State Director (Jeff Rawson) that I did not believe this was an appropriate way to utilize a BLM Ranger, especially during the busy Easter weekend (Memorial Day also). This issue may be elevated to your level for review and guidance. Thanks, Larry

Subject Fw: Easter Schedule for Neil

There has been a little change this weekend at LS, Steve will be conducting Ferris duties and Ferris will be conducting Steve's. So your point of contact will be Steve Bonar.

Also, John B will be out along with Arizona Strip BLM Ranger Curtis Racker. So we will have 3-4 officers. Warren T will be down on Friday. Please have a safe weekend.

**Neil, I have left a hard copy of this on your chair and via email.**

**You will be working your regular schedule; 1600 to 0200 Friday through Sunday and 1400 to 2400 on Monday. Your assignments will be to transport money and be physically located at all times at the VS when not transporting the money. It takes exactly 1 hr and 10 minutes one way, therefore your round trips should only take 2.5 hrs.**

**This weekend I want a strong presence from BLM law enforcement at the Little Sahara Visitor's Center. Therefore, please adhere to the following:**

- 1. Please do have your vehicle ready to leave every evening, (fueling upon returning to town not prior to leaving). Please be efficient in departure and arrival to and from LS. I believe 2.5 hrs preparations and office time this weekend is unacceptable.**

- 2. You will have Monday to catch up on any office email or work.**

- 3. Please report to Steve Bonar when you leave Fillmore (this can be done with a phone call to the VC and the message can be passed to Ferris) and when you arrive at the VC report immediately to Steve.**
- 4. Steve will assign you where he wants you and your vehicle parked. Along with foot patrols. Steve will make all assignments, if you should need to vary from Steve directions please coordinate with Steve.**
- 5. You will also be responsible for transporting the pay booth collections from the pay booths to the visitor center.**
- 6. Please upon arriving back in Fillmore; take care of the money as you have in the past. Stacy Mansfield will not be available for the safe. Marjean and I will be in and out to take care of the money as it is delivered.**
- 7. Should there be an accident or law enforcement emergency, you will not respond. By leaving the VC, there would be no law enforcement present, which I believe would leave the BLM employees sitting targets for other potential occurrences. Again, on a case by case instance this will be up to Steve on where you are and what you are assigned.**

**I realize that this is different that in the past but since we only have you as the BLM LEO, I want you in the most visible location, I appreciate your attention to the above directives.**
