Dear Ms. deNicola:

Thank you for contacting my office regarding the existence of PCB's in buildings on the campuses of Malibu High School, Malibu Middle School, and Juan Cabrillo Elementary School. I am sorry to hear of the difficulties that America Unites for Kids is experiencing.

I am sure you will be glad to know that my office has shared your materials with Administrator Gina McCarthy at the Environmental Protection Agency. You can be assured that my office will contact you as soon as we receive any information regarding this problem.

Thank you for allowing me to be of assistance. I hope to be in touch with you soon.

Sincerely,

Ted W. Lieu  
Member of Congress
