Subject: All public presentations must go to HQ

From this morning's Director's Weekly Managers Videcon:

All outside/public presentations, be they speeches, Powerpoints, technical or other, etc., must be forwarded to HQ Office of Public Affairs for approval. They promise to clear the talks quickly.

Please continue to follow current procedures using:

http://pipeline.mms.gov/PDF_Forms/OffshoreForms/mms1982-EXT.pdf

MMS Form 1982 - Request for Approval of Official Expression by Oral Presentation

Note: in the past, approval only the RD's could approve technical papers; papers related to policy, sensitive topics, or national in scope had to be forwarded to HQ. Now all papers must go to HQ.

Please submit requests with sufficient time for approval.

Thank you.
