- > Project Updates
  
- > Hunter Gaines to present Malibu High School: Contaminated Soil Removal
  
- > David Reznick asked if there were areas that are going to be disturbed.
  
- > Hunter Gaines replied in the affirmative, abatement would occur over the summer of  
> 2011.
  
- > Michael Sidley inquired about the source of the PCB's.
  
- > Hunter Gaines replied that it is unknown.
  
- > Michael Sidley inquired as to when the public is going to find out that there are  
> PCB's?
  
- > Jan Maez asked what would the committee suggest.
  
- > David Reznick inquired if there are current health hazards to the students?
  
- > Stuart Sam replied that there are none until the area is disturbed. We will not be  
> disturbing the area until the break.
  
- > Jan Maez added that the public will know when we go to the board with an  
> amendment to abate.
  
- > Dennis Crane inquired if Mark Kelly knew about this issue and that it may be  
> important for him to be informed.
  
- > Hunter Gaines replied in the negative.
  
- > David Reznick asked if there has been any groundwater testing.
  
- > Hunter Gaines replied in the negative. They didn't find any PCB's below 5 feet.
