Subject: RE: [Non-DoD Source] Balance in OSLTF

To: Richard Steiner <[richard.g.steiner@gmail.com](mailto:richard.g.steiner@gmail.com)>

Good morning Rick.

The OSLTF Balance is currently approximately \$5.7 Billion.

As part of the annual budget process, the Office of Management and Budget (OMB) and the Congressional Budget Office (CBO), have been made aware of the OSLTF forecast (estimated revenues and expenses) as well as the expiring excise tax.

While many have expressed interest (including the Alaska delegation) I have not seen any proposed legislation yet to extend to tax.

Regards,

Bill,

I trust you are well.

I would appreciate hearing from you re: any progress on reauthorizing the OSLTF, whose revenue stream is to expire in a couple of weeks.

As we had communicated last June, I have been pushing reauthorization, with enhancements, but the trail seems to have gone cold. Do you know if any bills have been introduced to reauthorize? And if so, what the bill numbers are, etc...?

Also, would enjoy your update on current amount in the Fund.

Thanks, and I'll hope to hear from you at your convenience.

Respectfully,

Rick Steiner, Professor
