MEMORANDUM FOR PAUL M. SCHULTZ, WARDEN

FROM:

P. Rodriguez, Safety

SUBJECT:

OSHA Response Letter

This is to advise you that upon reviewing the letter dated February 11, 2005 to Connie Hunt, Director Occupational Safety and Health Administration, that you signed, cannot be supported by myself as USP/SCP Atwater's safety specialist.

I find it very disturbing that you would allow my report to be rewritten by the agencies Assistant Safety Administrator, without my input. Mr. John Lee has been to USP/SCP Atwater once and has spent a matter of minutes inside our Unitor factory and Unitor warehouse.

The changes made to my report, by Mr. John Lee did not address the concerns made by OSHA in its entirety.

If all possible I do not want any credit in this report to OSHA.

Thank you in advance for your continued support.
