Ms. Dinerstein and Ms. Douglass: this is to follow up on the note that I just sent you regarding the proposed removal of Ms. Jenkins. First, I presume that this makes the matter of Ms. Douglass' recent request for an extension of time to reply moot; as such, I will be advising Ms. Connors that she does not need to reply. Second, I wanted to let you know that in light of the withdrawal, the Agency intends to file a motion with the MSPB requesting the re-opening of the remand appeal that is currently stayed pending the DOL litigation.
